## IN MEMORY

Charles C. Eaton

May 24, 1917 - January 5, 1988

Charles Eaton's years of servitude to the Town of Stoddard began shortly after his arrival in town. In 1951 he served his first term as Selectman and again in the 1970's and 1980's. He served as Town Constable for a period of 25 years, intermingling duties of Board of Fire Wards, Library Trustee, Auditor, Conservation Commissioner, and currently serving on the Stoddard Zoning Board of Adjustment as Co-Chairman. He served at Stoddard's representative to the N.H. House of Representatives, 1959-61.

A very special person has passed from our midst. Charles Eaton will be sadly missed by the Town of Stoddard.

The poem that appears was clipped from a newspaper by Mr. Eaton shortly before his death and had a special meaning to him.

### TO THOSE I LOVE

*If I should ever leave you whom I love  
To go along the Silent Way, grieve not,  
Nor speak of me with tears, but laugh and talk  
Of me as if I were beside you there.  
(I'd come-I'd come, could I but find a way!  
But would not tears and grief be barriers?)  
And when you hear a song or see a bird  
I lover, please do not let the thought of me  
Be sad ... For I am loving you just as  
I always have ... You were so good to me!  
There are so many things I wanted still  
To do-so many things to say to you ...  
Remember that I did not fear ... It was  
Just leaving you that was so hard to face ...  
We cannot see Beyond ... But this I know:  
I loved you so- 'twas heaven here with you!*

## SELECTMEN'S NARRATIVE

When 1987 came to a close, your Selectmen could easily reflect back to the ever increasing hours they spent serving the good people of Stoddard. We wear many hats throughout the year, from assessing properties, authorization of bills, to building and health violations. Understandably, we cannot please all of the people all of the time, but we hold our heads high and feel we have done a darn good job.

You will note this year we are asking for a considerable less amount of money for Town buildings compared to what was approved last year. The repairs that were accomplished this year included: painting of the exterior of the Town Hall, placing a new roof on it and rebuilding the Town Hall tower (which was ready to fall through the ceiling), the weathervane on the top of the tower was refurbished and painted. For years there were problems with water being brought into the Town Hall. This has been correct by installing a new well and pump and controls. The Town Hall is being used more now than in the past. Two minor projects that are left to be done: partitions in the bathrooms and interior painting. This will be done in the spring. Both Fire Stations were painted, along with the Davis Library and we "Thank" Everett Richer for doing such a fine job.

1987 was the first year Staples Trucking became our private Road Agent. We believe he performed as promised. Looking back in history, roads have always been a source of controversy. No one ever believes his or her road is as good as it should be; however, we believe that we have made tremendous progress without spending ourselves into oblivion. Road maintenance and repair is not cheap, and we have to be very careful on the amount of dollars spent, keeping ever mindful of holding down the tax rate.

Although the money has been raised, we are still waiting for the State of New Hampshire to come in and reassess all property. Communications with them indicate it might be a couple of years off still. If we cannot get a start date from them this spring, then we will possibly look for a private contractor to do the job.

We hope that you will be looking at all budgets very closely and carefully before final approval, remembering the "rule of thumb", that every \$20,000 dollars voted, means a \$1.00 increase in the tax rate.

One could never write this report without "Thanking" the dozens of people who work so hard to give their time and talents into the many departments that keep this Town operating so smoothly. I'm sure many times these people wonder if it is all worth it, but their dedication and love for the Town always prevails. Speaking from personal experience, the Planning Board especially deserves a big "Thank You" for all the many meetings, going out on cold nights, and sifting through hours of material to have a workable Planning & Zoning Ordinance that is fair and equitable to all.

One of our Selectmen, Joan Zelasny, has decided not to run for another term. Joan has been one of the finer Selectmen that I have had the privilege to serve with. Her organizational skills along with fair decision making, has made the job for John and I very pleasant. She will be missed by many, and a big "Thank You" for a job well done!

In conclusion, as we are in the "Eleventh Hour" of another decade, and the 1990's at our front door, we believe Stoddard has a bright future ahead, but will be faced with many difficult decisions. We foresee one of the three member body of Selectmen will need to be full time. As our Town grows, we may need to consider purchase of a police vehicle and small boat for access to our many properties on the lake. Each Town road should be looked at on an individual basis, a schedule for improvements to each road, and formulation of guidelines to effect the improvements needs be drawn up; another task scheduled for this year. And, most importantly, testing of our Lakes should be done on an annual basis, and should be started immediately.

With the cooperation of our citizens, we can work together for a Stoddard of the '90's for other Towns to emulate!

Respectfully submitted,

*Harry Power, John D. Halter, Joan Zelasny*

## TOWN OF STODDARD

### Town Warrant

**The polls will be open from 1:00 PM to 7:00 PM**

*To the inhabitants of the Town of Stoddard in the County of Cheshire in the State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Eighth day of March next at One of the clock in the afternoon to act on the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To see if you are in favor of adopting the proposed amendment to the Community Planning (Zoning) Ordinance to permit Clustered Development in all districts in the Town. (Article #1 on Ballot - Submitted by Petition) (No discussion on the Article)
3. To see if you are in favor of adopting the proposed amendments to the Community Planning (Zoning) Ordinance as proposed by the Stoddard Planning Board (Article #2 through #7 on the Ballot) (No discussion on the Article)

*You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Fifteenth of March next at 7:00 of the clock in the evening to act on the following articles 4 through 31:*

4. To see if the Town will vote to raise and appropriate the sum of \$82,973 to defray Town Charges for the ensuing year.
5. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes if necessary.
6. To see if the Town will vote to raise and appropriate the sum of \$430 as its share for the support of the Monadnock Family and Mental Health Services.
7. To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share for the support of the Home Health Care and Community Services.

## REPORT OF THE DAVIS PUBLIC LIBRARY

The Library was open from 7:00 to 9:00 p.m. on Thursday evenings during 1987. Weekend hours were also held from 9:00 to 10:00 a.m. Saturday mornings during August. This expanded schedule will be continued during the summer months in 1988.

Jim Taylor served as assistant at the Library again this year. The building was painted during the summer.

A successful book sale was held during Old Home Days in July. A donation of old wooden sap buckets to be sold helped us to realize \$95.00 in total sales.

We extend a sincere thank you to all those people who made donations during the year. They included *Mary Lou Call, Charles Chandler, Elizabeth Cushna, Peter Eisenstadter, Betsy Howard, Nancy Jerome, Henry Klie, Dorothy Kukulka, Karron Myska*, and other anonymous donors.

*Frances Rumrill*  
Acting Librarian

## STODDARD FIRE & RESCUE

During 1987, The Stoddard Fire and Rescue Dept. responded to 46 calls, up 15% over 1986. The break down is as follows: 2 false alarms, 20 rescue calls for medical assistants, 8 car accidents, 3 chimney fires, one of which caused some structural damage, 6 mutual cover assignments, 3 brush fires, 2 car fires, 1 dog rescue through the ice and 1 stand by for wires down.

Chimney fire response is at it's lowest point in recent years, we think in part due to our Chimney Cleaning Program. Also responsible is a general reduction in wood heating and improved knowledge of wood stove use especially the air tight models.

Things have been busy at the Fire Station. Engine 1 is painted and lettered and some mechanical works has been completed and our appreciation is again extended to Weaver's Garage. Further maintenance will be required on Engine 1 this year, specifically the rear springs.

We have enlarged the Radio Room making better office space. We had planned to purchase additional 4" hose but have received excellent prices from Jaffery Fire Protection, the last two years and have on board what we feel is necessary for our purpose. We are also in good shape with breathing apparatus as our older obsolete units have all been replaced.

The Rescue Dept. finds themselves well equipped due largely to fund raising and private donation. A new oxygen bottle with regulator, and a Hendrick Auto Extraction Device have been purchased through donation. Many thanks to these people.

You will notice our separate article are fewer but our operating budget higher. We find ourselves well enough equipped not to need additional equipment but find we need to replace some older hose. Some protective equipment and some old nozzles.

Our Chicken Bar B.Q. during Old Home Days was a great success. We would like to thank our patrons and remind people to attend this summers festivities during Old Home Days weekend. We also would like to invite everyone to our Open Houses. We plan to have at least 2 this year and encourage people to stop by the Fire Station anytime.

We are always interested in meeting prospective members of our department.

Remember our chimney cleaning and well pumping service, feel free to call Chief Don Fleming at 446-2247 or Deputy Chief John Cressy at 446-7159 for information or assistance, remember also 352-1100 for any emergency help.

## STODDARD ZONING BOARD OF ADJUSTMENT

The Stoddard Zoning Board started off at a slow pace, but in May we received applications every month. We have had to go up on our application fees to \$35.00 plus \$3.00 extra for each abutter.

Reasons for this are because advertising is costly and it was putting us in the red and we would like to have the applicants pay for their needs, not at the Town's expense, as much as possible.

Thus far we have had no court cases and hope it continues this way. We also are looking for more alternate members. The meetings are open to the public and are the first Monday of each month at the Town Hall at 7:00 P.M.

*Charles Eaton*, Co-Chairperson

*Priscilla Holland*, Secretary

*John Lightbody, Jr.*, Member

## STODDARD POLICE REPORT

The more things change, the more they stay the same. Last year's police report could easily be this year's. With that in mind, we are going to indulge in editorial license.

With so much emphasis on training being promulgated in law enforcement circles by towns, cities, and by insurers, lets reflect upon training from years past.

We embarked upon this "profession" amidst crossroads of style and theory, the torch being passed from old to young, the business from vocation to profession, the outlook from straight forward to confusing judicial interpretation.

Stoddard's police were trained by a man who responded to a complaint with a .45 in belt and six-pack in hand, trusting one or the other would solve the problem. A man who felt problems between neighbors must always be held in confidence - never aired as dirty laundry.

"Communication", a critical component of law enforcement. In the middle 1950's, the Stoddard Chief helped develop the most modern emergency communications system in the United States, when the County Mutual Aid was formed. In the 1960's, Stoddard purchased its first modern communication equipment. It is still utilized today. In 1973, he aquired our first modern uniform. In 1977, when, after twenty-five years of service, the job complete, the Chief acknowledged that the profession needed change. The needs were different, the job was now for the young, and the Chief, with dignity, passed the torch.

During his watch, we received training that does not change. Take your duties, not for monetary gain, but for community service; not for personal agrandizement, but for committment; not to settle a score, but to solve problems; not to see how many arrests you can make or tickets can be written, but to assits the people of your community. When your tour of duty is done, trust you were able to make the lives of some a little easier, and **your** community a little safer.

Style may change with the times, but goals and committment do not change. so, to the original, the First Chief Eaton, we say thanks. Our past training is not forgotten as we look to the future.

*I love the man who can smile in trouble, who can gather strength from distress, and grow brave by reaction. 'Tis the business of little minds to shrink, but he whose heart is firm and whose conscience approves his conduct, will pursue his principles unto death.*

## REPORT OF STODDARD CONSERVATION COMMISSION 1987

The Stoddard Conservation Commission (CC) has continued to investigate Dredge & Fill applications, and almost all got reported on to the Wetlands Board. One was denied, owing to the steepness of the slope into the lake, and because the project was so close to the highway there was no room to manouever. The District Conservationist made an inspection and report, which went to the Wetlands Board. From this instance the CC learned, among other things, that when a project is within 33 feet of the highway centerline, the highway is an abutter and should be notified.

Two members attended the annual meeting in Concord in November, which began with a keynote speech of the need and ideas to protect water resources and wetlands. One or more of us have attended various workshops at the Harris Center on protection of water resources, including groundwater; and on the Local Initiative Project of the Land Conservation Investment Program (LCIP), under the Trust for NH Lands. The challenge now will be to see how we can manage to apply some of this to the needs of Stoddard.

We were sorry to have Charles Chandler resign, to devote himself to the ZBA. We welcome Alan Rumrill to membership. We could use more members.

Finally the whole town notes with sadness the passing of Charles Eaton. Among his many other activities he was Stoddard's lone Conservation Commissioner for many years, and was instrumental in drawing together a nucleus of people to reformulate the CC in 1984. The town will miss him.

Respectfully submitted,

*Jane Abert, Joseph Coughlin, Kathy Fleming  
John Lightbody, Jr, Alan Rumrill*

## REPORT OF THE PLANNING BOARD Town of Stoddard

The Stoddard planning board meets on the first Tuesday of each month at 7:30 P.M., in the Town Hall for regular business.

In 1987 the Board received 6 requests for subdivision. Five requests were approved and one denied. One excavation permit was applied for and approved. One application for cluster housing was requested and denied by the Planning Board.

In January 1988, Harry Power submitted his letter of resignation as Selectman's representative to the Stoddard Planning Board.

During the past year, the Board has met twice a month. The first Tuesday has been devoted to regular business. The second meeting which takes place on the second Tuesday of the month has been used as a work session. At these meetings the Board has worked to provide the information necessary for completion of the master plan, growth management ordinance and capitol improvements program.

Ideas for changes in our subdivision regulations and community planning ordinance, are also products of these meetings in working closely with South West Regional Planning, the Board has been assured that our master plan should be completed by March 1988. The next objectives of a growth management ordinance and capitol improvement programs, should be ready for town public hearings by May or June of 1988.

The Board has had a very busy year. We have made good progress in preparing for the pressures of growth which affecting the entire southern part of the state.

I would like to thank all Board members for their good attendance, hard work and unified support over the past years. The Board encourages support and input from the citizens of Stoddard through attendance at our monthly meetings.

Respectfully submitted,

*Thomas F. Yocono Jr., Chairman*

*Frances Rumrill, Secretary & Treasurer*

*Jane Abert, Reed Desrosiers, Melvin Gibbs, Brian Cartwright*

## REPORT OF STODDARD ANIMAL CONTROL

This was the year that almost everybody in Stoddard saw a MOOSE, except for the Animal Control Officer. I never even saw a track!

1987 was quite a busy year for us. We handled a wide variety of animal control calls.

One of the most comical, which we still chuckle over, was the call from the local resident saying he had seen some dogs dragging a dead deer near his residence. We responded and found this resident coming out of the woods near his home carrying a rifle and wearing snowshoes and a very sheepish grin. The dogs dragging a deer turned out to be several otters - playing in the snow!

We responded to many calls regarding stray cats this year. We found homes for a lot of these cats without taking them to the Mondanock Region Humane Society. One of those cats had been missing from his owner for over 6 months when we received a call from a concerned person in Town telling us a stray tiger cat had shown up at their door. We picked the cat up, located the owner in Vermont and all that was left to do, was watch the reunion.

We had several local dogs reported missing and quite a few missing dogs were reported to us by other area Animal Control Officers. Some of those dogs were found, and unfortunately, some were not. Next to a license, one of the most important items your dog should have, is a tag attached to its collar with their name, your name, address and telephone number. If we pick up a dog without a tag and we don't recognize the dog, we have to transport it to the shelter.

The majority of complaints we received regarding dogs running at large, turned out to be dogs owned by year-round and summer residents' dogs. Remember, we have and do charge a \$10 pick-up fee for dogs violating the leash law. The **owner** pays the fee - not the dog!

We responded to a call that a dog had fallen through the ice on Highland Lake. We were lucky that she had been spotted and reported. The Stoddard Rescue responded and fortunately were equipped with an ice rescue suit, enabling the dog to be pulled quickly to safety. She has fully recovered and is fine. Please, remember that early winter and spring are very dangerous times for dogs to be on the ice. If **you** don't feel that the ice is safe enough for you to walk on it - should your dog be on it?

As a courtesy this year, we are sending our reminders to license your dogs, as we all tend to forget deadlines, such as vehicle registration, etc. This is being done so that you will not be penalized for being late.

## STODDARD OLD HOME DAY COMMITTEE REPORT

The 1987 annual celebration of Stoddard Old Home Days was a huge success thanks to the support and efforts of many local residents and organizations.

Events began Friday with a church supper, followed by hymn singing. Later in the evening, a contra dance and square dance were held at the Town Hall with calling and music by Dudley Lauffman. Saturday's events were kicked off with a parade highlighted with music by Hill's Bandwagon. The parade was followed by a concert on the church lawn. Other features included a children's performance by George the Clown and Friends, a bazaar, face painting, artisan's demonstrations, and Davis Library book sale.

The firemen's annual chicken barbecue was a sellout, followed by a slide-show of Stoddard History presented by Alan Rumrill. A dance featuring music by the Q106 Road Show finalized Saturday's events. A special church service was held Sunday morning with a performance by Ringers On The Square, a bell ringing group.

In celebration of the history of Stoddard, a cane, hand-crafted by Stoddard resident, Barry Miner, was presented to Martha Richard, the oldest resident of Stoddard. The cane was presented by the Town Selectmen.

Throughout the weekend public buildings were open to the public and the antique hearses were brought out for people to see.

Funds made available to the Stoddard Old Home Days Committee included \$500.00 from the Town's Contingency Fund and \$600.00 from interest earned on the Bicentennial Committee Trust Fund. Fortunately, however, due to the generosity of many townspeople and businesses, it was not necessary to use these funds.

## REPORT FROM THE SUPERINTENDENT OF SCHOOLS

By a vote of the New Hampshire State Board of Education, School Administrative Unit #24 was realigned and, effective July 1, 1987, now encompasses the school districts of Hopkinton, Henniker, Weare, John Stark and Stoddard.

If one word were chosen to describe the districts in SAU #24 that word would probably be "growing". The greatest increases this year occurred in the student populations in Weare Elementary School with a 9.2% increase and in Henniker Elementary School with a 9% increase. The impact of this growth is being felt in our physical facilities which are currently being utilized at maximum. Hopkinton is currently in the midst of a building expansion program at Harold Martin Elementary School. This building project will provide Hopkinton students with additional classroom space and the greatly needed facilities for special services. In March the voters of Weare will have the opportunity to vote on a building plan to provide elementary classrooms for Weare students. Currently all classrooms in Weare, including six portable classrooms, are fully utilized. There will not be adequate classroom space to accommodate the number of students projected for fall of 1988. If growth projections for the small town of Stoddard are realized space will also be needed there.

The single most significant event of the 1987/88 school year was the opening of John Stark Regional High School. The programs at John Stark will offer many excellent learning opportunities for the students in grades 9-12 from Henniker and Weare. This school exists today due to the untiring efforts of the Cooperative School Planning Board, the John Stark School Board and the townspeople in Henniker and Weare. An outgrowth of the opening of John Stark is the development of middle school programs in Weare and Henniker. Hopkinton is also moving toward a middle school program for the intermediate grades.

All of our schools have been involved in the State Wellness Program. Our goal is to have healthy employees who are then more productive employees and who offer a positive role model for our students. In addition, all of our schools are involved in efforts to offer more opportunities to students in the area of gifted and talented/enrichment programming. Teachers in Henniker and Hopkinton have been participating in the 4 MAT learning styles teacher training workshops in conjunction with the Franklin Pierce Law Center. Henniker, Hopkinton and John Stark staff members have had the opportunity to become involved in the very successful Governor's Initiative Program for Computers.

The cost of public education continues to increase. We are sensitive to the impact that these increases have on the local taxpayers. We will continue to strive to provide quality education which is also cost effective. We appreciate the support that you have given to your schools and hope that you will continue to do so.

Respectfully submitted,  
*Dr. Cynthia E. Mowles*  
Superintendent of Schools

## STODDARD SCHOOL DISTRICT Teacher's Report

This fall the classroom took on a new look. It was divided into two sections, and Cynthia Jones, a Keene State College graduate who previously taught in Alaska, was hired to teach first, second and third grade students. The focus of the primary classroom activities is learning by doing. The students work individually and in groups on necessary skills in reading, mathematics, and language arts. The subjects of science, social studies, health, movement education and art have included lessons on the human body and how to cooperate. Primary students have participated in a National Invention Contest and are involved in the ongoing National President's Fitness Program.

In the intermediate area the educational program stresses math, metrics, health, social studies, science, physical education, music, art and computer languages. The language arts program has the following components: reading skills, spelling, handwriting, capitalization and punctuation, dictation, creative writing and reading for enjoyment. Some subjects are taught in small grade level groups or done on an individual basis. We have done special projects with all intermediate students such as: studying the constitution, map and globe skills, news in education and our school newspaper.

Some of the people who have contributed to the success of the school this year are: music teacher - Karen DesRosiers; art teacher - Mary Conklin; and custodians - Sue Taylor and Phyllis Sawyer. Many thanks to the P.T.O. for helping with, and funding some of our special programs. Thanks also to Muriel Quist for her continued support. We welcome our new aide, Carol Clark.

We have continued with the traditional programs of the past. In the spring we had Prize Speaking, Graduation and Memorial Day services. Our end of the year picnic was held at Granite Lake in June. Since school has started we have had our annual Halloween costume party and Christmas program.

In cooperation with the Guidance Department at Keene Junior High School, several programs are planned for the sixth graders. These include: a slide presentation, a question and answer period, a visit to the junior high school and a special meeting to acquaint the parents with the school.

We have enjoyed many special programs this year among them were slide presentations by I.F.Y.E. students and a Field Day sponsored by Cheshire County Extension Services. A lawyer, Steve Markiewicz, came to the school to talk to the intermediate students in celebration of the 200th birthday of the Constitution. We did a special project on News in Education, and as a result, publish a monthly school newspaper. The children continue to participate in the State of New Hampshire classroom fluoride mouth rinse program with daily toothbrushing.

I was able to obtain a \$785. grant from the N.H. Commission of the Arts for the 1987/88 school year. This program is jointly funded by the N.H. State Council on the Arts and the National Endowment for the Arts. Last

spring the children enjoyed making pottery with Dwight Graves and Teresa Taylor Ellis. They used a pottery wheel, made their own pots and glazed them, the high point was the day we fired our pots in a pit fire. These items were on display at Prize Speaking. This spring we look forward to working with Jim Kates, a poet, and Emile Birch, a sculptor. Jim Kates and I were awarded a Teacher/Artist Curriculum Collaboration Grant from the N.H. Commission on the Arts to create a poetry curriculum for elementary students.

Our Block Grant for 1986/87 was "Family Life; Then and Now, 1930's - 1980's." Field trips were made to Strawberry Banke and Charlestown Fort #4. We did special activities throughout the spring such as: weaving, stenciling, contra dancing with Dudley Laughman, drama with Mario Cossa and food preparation.

I would like to thank the Island Pond Association for their gift of a Solar Energy Kit and solar masterbook, and the P.T.O. for a lighted globe and math and language arts games. Many thanks to Sharyn Dinkle for three years of service to the school and a SPECIAL thanks to Robin Dunham who left us after working here for over five years.

Again, thanks to the P.T.O., the school board, parents and townspeople for their continued interest and support. Come and visit us, we are proud of our school.

Respectfully submitted,  
*Barbara K. Cutting*  
Head Teacher

**STODDARD SCHOOL DISTRICT**  
**School Board Report**

This year has brought many changes to our school. Lucy Hill, the school district clerk for many years, decided not to run again. We would like to express our thanks to her for her many years of service.

We welcomed Suzanne Taylor, our new school district clerk, and are looking forward to working with her in the coming years.

We accepted the resignation of Sharyn Dinkel, teachers aide for three years. Upon receiving Mrs. Dinkle's resignation we invited the public to comment on hiring a new teacher. We were very pleased with the number of people who expressed their concerns and ideas.

The public opinion was that we should hire a new teacher, with experience, in early childhood development. After interviewing many applicants we hired Ms. Cynthia Jones. Ms. Jones is teaching the first, second and third graders, while Mrs. Cutting is teaching the forth, fifth and sixth graders.

We had hoped to join SAU #29, Keene, next fall but the Keene board opposed this move. We are now in SAU #24, Henniker. This does not have any affect on the children, they will still be attending junior and senior high school in Keene.

The Stoddard School Board meets the first Thursday of each month at the James Faulkner Elementary School, at 7:00 p.m. Anyone wishing to appear before the board is asked to please contact a board member so that their name may be added to the agenda. The board encourages the parents and townspeople to participate.

Respectfully submitted,  
*Brenda Vaillancourt*, Chairperson  
*Nancy Cressy*, *Phil Hamilton*  
Stoddard School Board

**STODDARD SCHOOL DISTRICT**  
**1987 School Nurse Report**

During the 1987-88 calendar year, the school health program provided screenings for height and weight, vision, and hearing. Immunizations were checked to ensure that all students meet the current state law requirements. Referral letters were sent home if further examination was indicated. Checks for head lice were done monthly.

Classes are being planned to provide students with information on drugs, head lice, and possibly safety with seat belts.

Respectfull submitted,  
*Carol M. Hill, R.N.*  
School Nurse

## STODDARD SCHOOL DISTRICT PTO REPORT

The Stoddard PTO meets on the first Wednesday of the month at 7:30 p.m. at the James M. Faulkner School. Officers for this year include Diane Halter, President; Suzanne Taylor, Secretary; Barbara Cutting, Treasurer.

In July, the PTO joined the Old Home Days celebration with a clown show and face painting held at the School. The children and adults had a great time.

In September the PTO held a Book Fair for the children at School and the town's people were also invited. The children enjoyed the Fair and the School benefitted with free books and a percentage of the earnings. We will have another Book Fair next year.

Carol Clark helped put on a Craft Show for the PTO. We received two free gifts and a percentage of the earnings.

In December, the PTO was busy with the Annual Christmas Party and a Raffle. A special thank you to our Santa.

Many thanks to all that work and donate to our Hot Dog Days. The children really look forward to them. The PTO also benefits financially.

The PTO is looking into a few winter activities for the School children this year. We will also be providing prizes for the Annual Prize Speaking night. This year is a busy one and we need and welcome new members. **Join the PTO!**

Respectfully submitted,  
*Diane Halter, President*

**MINUTES**  
**ANNUAL MEETING STODDARD SCHOOL DISTRICT**  
**March 5, 1987**

At the Stoddard Town Hall at 8:00 PM, the Moderator, Daniel Eaton, called the meeting to order. He dispensed with the reading of the entire warrant and proceeded to read Article 1.

To choose by non-partisan ballot the following school district officers:

**Article 1. Election of Officers**

- A. One Moderator for one year term.
- B. One School Board Member for three year term.
- C. One Treasurer for one year term.
- D. One Clerk for one year term.
- E. One Auditor for one year term.

Phil Hamilton moved to open the polls until 9 p.m. for the purpose of voting or until the close of the meeting, whichever came first. Seconded by Sue Bernier and voted in the affirmative. The Moderator then declared a five minute recess. At 8:10 p.m. he continued with Article 2.

**Article 2. Budget**

Phil Hamilton moved that the district vote to raise and appropriate the sum of \$355,296 (three hundred fifty-five thousand, two hundred ninety six dollars) for the support of schools and for the payment of school district officials and agents, and for the payment of statutory obligations of the district, or to take any other action in relation thereto. Seconded by Brenda Vaillancourt. Motion carried.

**Article 3. Reports**

Phil Hamilton moved that the district vote to hear the reports of agents, Auditors and Committees or Officers chosen and pass any vote relating thereto. Seconded by Sue Bernier. Phil gave an explanation about the Auditor' report. The person elected resigned. The books were audited by last year's Auditor who was appointed by the Board. There was no challenge to this and the motion was adopted.

**Article 4. Grants**

Brenda Vaillancourt moved that the district authorize the school board to apply for, accept and expend, without further action of the school district meeting, money from any source which becomes available during the fiscal year, upon the following conditions.

- A. The money must be used for the legal purposes for which the school district can appropriate money.
- B. The school board must hold a public hearing on the action to be taken.
- C. It shall not require the expenditure of additional school district funds. This action is taken pursuant to the authority of RSA 198:20b, or to take any other action in relation thereto. Seconded by Sue Bernier. Motion adopted.

**Article 5. Capital Reserve Fund**

Brenda Vaillancourt moved that the district vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to establish a Capital Reserve Fund to be used for the financing of all or part of the construction of school

facilities needed in the future or to take any other action relating thereto. Seconded by Sue Bernier. No discussion. Motion adopted.

#### **Article 6. Salaries**

Brenda Vaillancourt moved that the district vote to set the salaries of the school board and fix compensation for any other officers or agents of the district as printed in the annual report, or to take any other action in relation thereto. Seconded by Barbara Cutting. No discussion. Voted in the affirmative.

#### **Article 7. Other Business**

At this point the Moderator turned the gavel over to Phil Hamilton and proceeded to the floor where he presented the following resolution and amendment to the District.

Whereas the State Board of Education is no longer granting waivers of the School Lunch Program, and whereas the School District of Stoddard has historically voted down implementation of said School Lunch Program, therefore be it resolved:

That the School District of Stoddard urges the prompt passage of House Bill 631-FN with amendment;

And be it further resolved that a suitable copy of the Resolution be transmitted to the Speaker of the House, the President of the Senate, the Chairmen of House and Senate Education Committees, the Governor and the Legislative Representatives of the Stoddard School District.

Daniel A. Eaton, *Moderator*

Lucy B. Hill, *Clerk*

#### **Amendment to HB 631-FN**

Amend the title of the bill by replacing it with the following:

##### **An Act**

Granting the Stoddard School District an exemption from the school lunch and school breakfast program.

Amend the bill by replacing all after the enacting clause with the following:

1. Waiver for Stoddard School District. Amend RSA189:11a by inserting after paragraph 1v the following new paragraph:

v. The Stoddard School district shall be exempt from the provisions of this section until it adopts the programs in this section by majority vote at a regular or special school district meeting.

Such adoption of these programs shall become effective immediately when the school district notifies the commissioner of education in writing of its decision to adopt the programs.

2. Effective date. This act shall take effect upon its passage. After further explanation a vote was called for on the resolution. The vote was unanimous to accept the resolution.

There being no other business to come before the meeting at this time the Moderator declared the meeting adjourned at 8:30 p.m. and that the polls were closed. Lucy Hill was given a round of applause for her many years serving as school clerk.
